LETTER

Mail Stop AF Commissioner for Patents P.O.Box 1450 Alexandria, VA 22313-1450

Sir:

Upon review of the filing receipt, we discovered that an inventor's first and last name was incorrectly spelled. Takasi Utida should be corrected to read "Takashi Uchida". In addition, the Declaration and Power of Attorney submitted with the application papers contains a misspelling of one of the inventors. Therefore, applicants hereby submit a new Declaration and Power of Attorney indicating the correct spelling of Mr. Uchida's name. Also enclosed is the original Declaration containing the names of all three inventors.

Please issue a corrected filing receipt.

Respectfully submitted
